# SMART CYBER PROTECTION FOR YOUR BUSINESS

In today's world of rising cyber threats, protecting your business is essential. KIC's advanced cyber insurance offers comprehensive coverage and proactive risk management.

What We Offer:

- ✓ **Risk Assessment:** Through our partnership with CyXcel, experts evaluate your security and provide actionable improvements.
- ✓ **Ransomware Coverage:** Protection against demands and post-incident support.
- ✓ **Tailored Solutions:** Designed for established businesses with unique needs.
- ✓ **Ongoing Support:** Assistance from risk assessment to incident resolution.

Secure your *FUTURE* with **KIC CYBER INSURANCE**

# COVERAGE

## DIRECT COSTS

Coverage includes swift data and equipment recovery.

## BUSINESS INTERRUPTION

Protect against financial losses from cyber interruptions.

## FIDUCIARY BREACHES

Protect directors and officers from cyber-related exposures.

## THIRD-PARTY LIABILITY

Cover legal and financial risks from cyber incidents.

## PROFESSIONAL INDEMNITY

Coverage for claims from cyber incidents.

## EXTORTION AND RANSOM INDEMNITY

Support during high-stress, costly situations.

## NON-MALICIOUS INDEMNITY

Financial protection for losses from honest mistakes or unforeseen issues.

Together, these elements make KIC's cyber insurance essential for safeguarding your business against evolving cyber risks.
