Presenting KIC

Klapton Insurance Company Ltd

December 2024

WELCOME TO KIC PRESENTATION!

KIC is the new rebranded trading name of Klapton Insurance Company Limited.

Formed in 2004, KIC is now serving its growing number of customers for over 20 years, providing insurance and reinsurance covers and solutions to over 300 brokers around the globe.

KIC is a general insurer and reinsurer, registered, licensed and regulated in the Autonomous Island of Anjouan, Union of Comoros.

KIC is regulated by the OFA in the Autonomous Island of Anjouan, Union of Comoros
(<https://anjouanoffshorefinanceauthority.org>).

KIC maintains surplus capital of over €50m, which is significantly in excess of the regulatory capital & reserve requirement. It also holds cash and bank deposits in excess of €29m.

KIC has a significant presence in the insurance and reinsurance surety market, and supports many local insurers, mainly in Africa and Asia (Indian Sub-Continent regions).

OUR COMMITMENT

With tens of years of collective experience, KIC promotes a high-performance organizational culture built on leadership and teamwork. KIC has its underwriting and claims functions supported by the finance and investments, administration and IT departments. One of KIC's critical success factors is customer alignment to the vision and mission. Our commitment and promise is to ensure that customers are treated fairly and all matters relating to business transactions are done professionally and transparently in a manner that fosters trust and confidences.

OUR VISION

To be a leading provider of insurance and reinsurance solutions in our chosen markets.

OUR MISSION

To provide the most experienced insurance and reinsurance services, expertise through innovative underwriting and prudent risk management for the ultimate.
